```

The diagram is a flowchart with four rectangular boxes. At the top is a light blue box labeled 'Stimuli generator'. Below it are two light green boxes: 'Golden Response Generator' on the left and 'Circuit' on the right. At the bottom is a light red box labeled 'Response Analyser'. Black arrows point from the 'Stimuli generator' box to both the 'Golden Response Generator' and 'Circuit' boxes. Another set of black arrows points from both the 'Golden Response Generator' and 'Circuit' boxes to the 'Response Analyser' box.
